TRI-COUNTY MALL

## **Youth Escort Policy Adopted at Tri-County Mall**

**Springdale, OH, July 27, 2010 (Tri-County Mall)** --- Beginning Friday, August 6, 2010, Tri-County Mall will implement a Youth Escort Policy for the shopping center on Friday and Saturday nights after 4:00 pm. This type of program has been very successful at dozens of malls throughout the country including Dayton Mall and Newport on the Levee. The program is designed to allow shoppers the opportunity to shop in a family friendly environment where young people are properly supervised by family or friends.

The policy requires youths under the age of 18 to be accompanied by a parent or guardian (adult escort) 21 years of age or older. Youth Escort Policy hours are designated as 4:00 pm to close on Friday and Saturday nights. Upon request, visitors should be prepared to show valid identification (with photo and date of birth) such as a driver's license, state identification card, military or college identification, passport or visa.

Tri-County has adopted this policy, in conjunction with local government officials, retailers and mall ownership in an effort to create the most family-friendly shopping environment possible for our customers. We encourage young people to continue to visit Tri-County Mall with their parents or guardian on Friday and Saturday evenings after 4:00 pm.

### **About Tri-County Mall**
